

# North Carolina Military Business Center

## Mission

To leverage military and other federal business opportunities for economic development and quality of life in North Carolina

## Goals

- Increase military and federal business for existing NC companies
- Support recruitment and development of defense businesses
- Integrate transitioning military and family members into the workforce

## Programs and Strategies

### Business Development Program

- Engage NC businesses in the military and federal marketplace
- Identify and connect NC businesses to current contract opportunities
- Provide solicitation and proposal assistance to businesses to win contracts
- Pre-position NC businesses for future prime and subcontracts

### Military Sustainment Program

- Reverse Engineering Initiative: engineer and produce parts of aging DoD aircraft
- Defense Machining Initiative: assess and post DoD solicitations to SourceNC.com

### Technology Resources Program

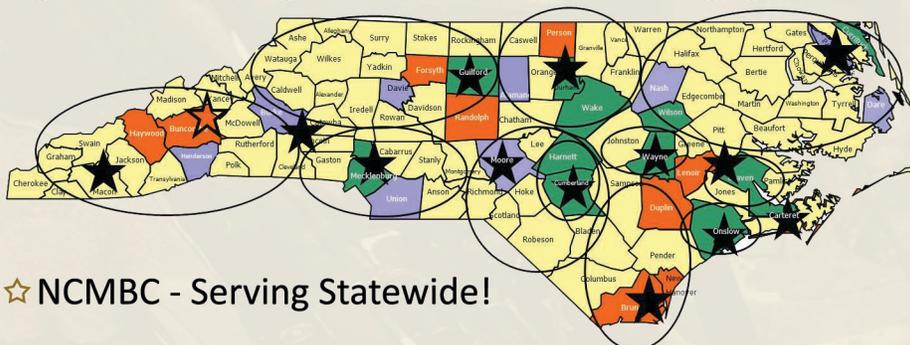

- MatchForce.org: connects businesses to contract opportunities & job seekers
- NCMBC.us: provides program data, market intelligence & contracting resources

### Employment Program

- MatchForce.org: connects transitioning military & civilians to NC jobs
- Transitioning military database: identifies potential workforce to businesses
- StayNC.org and IHireMilitary.org: targeted at transitioning military & employers

### Strategic Initiatives Program

- Federal construction: connect businesses with current & future FEDCON work
- Subcontracting: develop opportunities with major DoD prime contractors
- Emerging opportunities: identify & pre-position businesses for future contracts
- Technology transition, base growth, business capacity: leveraging the future
