Office of the Assistant Chief of Staff for Installation Management

ARMY INSTALLATIONS

MG Ted Harrison
Director of Operations
Office of the Assistant Chief of Staff for Installation Management

27 October 2016

America’s Force of Decisive Action
Priorities: “Readiness is #1”

“Installation readiness is one of the foundational parts of overall readiness”
- General Milley, Chief of Staff of the Army

Assistant Chief of Staff for Installation Management
Installation Resourcing Strategy

**END STATE**

Resources to support the Army’s #1 Priority - Readiness

**DIVEST**

Divest of the lowest priority services & excess infrastructure

**RESHAPE**

Reshape programs & services to align with force structure, statutory requirements & the fiscal environment

**INVEST**

Invest in services and infrastructure that supports training, power projection, mission assurance & emerging requirements

Installations the Bedrock of America’s Army – where Soldiers live, work and train

Assistant Chief of Staff for Installation Management
Vision:
A ready and resilient Army strengthened by secure access to the energy, water, and land resources in order to preserve future choice in a rapidly changing world.

Purpose:
- Presents the Army’s strategic roadmap for its energy & sustainability plans, programs and processes
- Adopts security, resiliency, and future choice as organizing approaches
We leveraged the full range of authorities and instruments to establish agreements.
Conclusion

- Installation Infrastructure and Services linked to the Army’s Priorities
  - Readiness
  - Future Army
  - Take Care of Troops

- Installation Resourcing Strategy builds Readiness

- Energy Security and Sustainability Strategy builds Readiness

- Partnership opportunities exist and support Readiness
