

Joint Improvised-Threat Defeat Agency (JIDA)

Leonel “Leo” Garciga
Chief Technology Officer
18 FEB 2016

HELPING WARFIGHTERS ADAPT

The overall classification of this briefing is UNCLASSIFIED

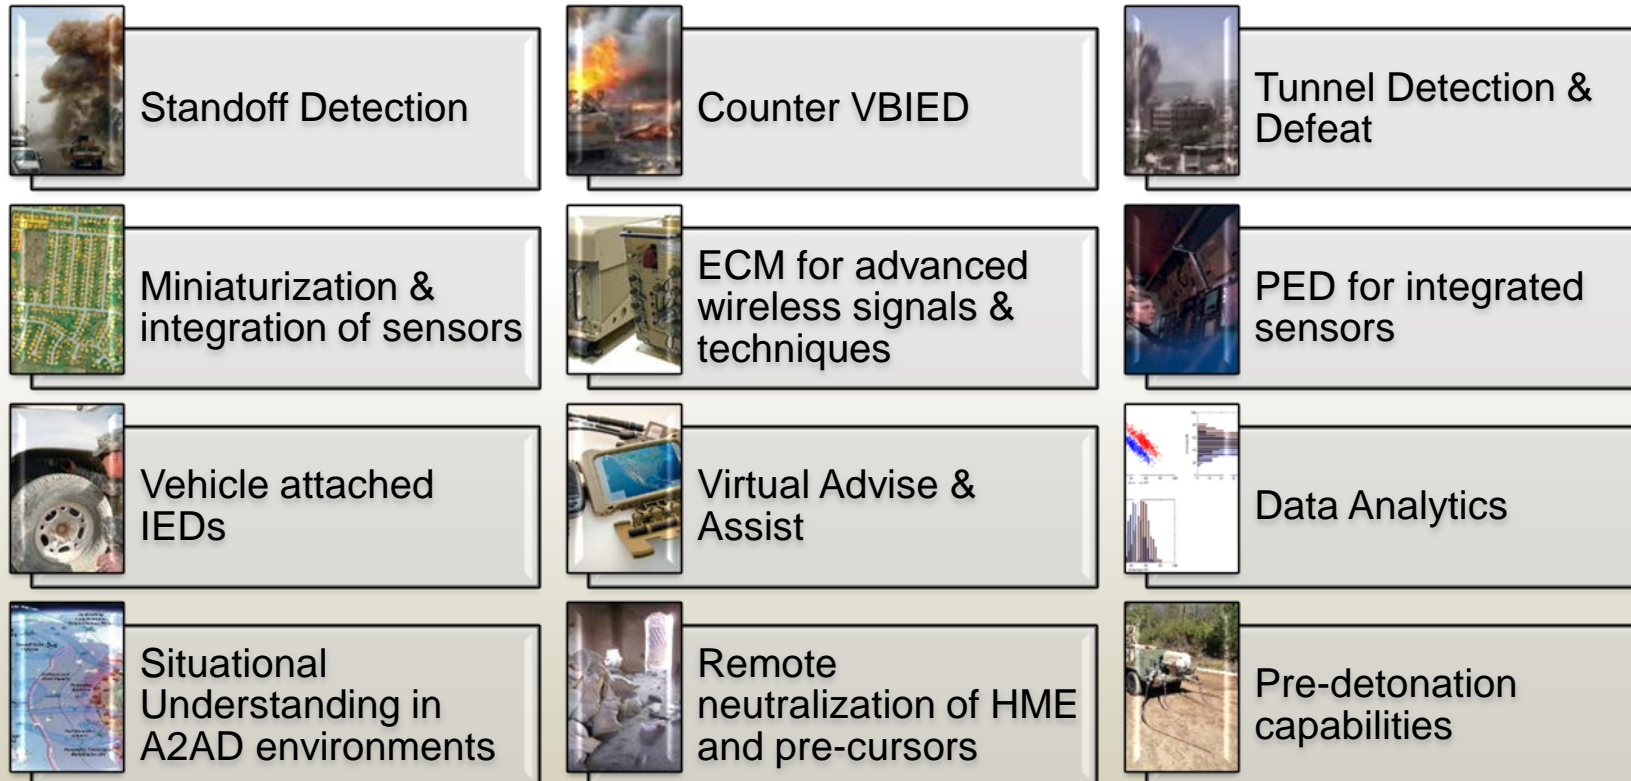

Our Strategic Approach

Cannot focus on one approach — all three must work together

What problems are we focused on?

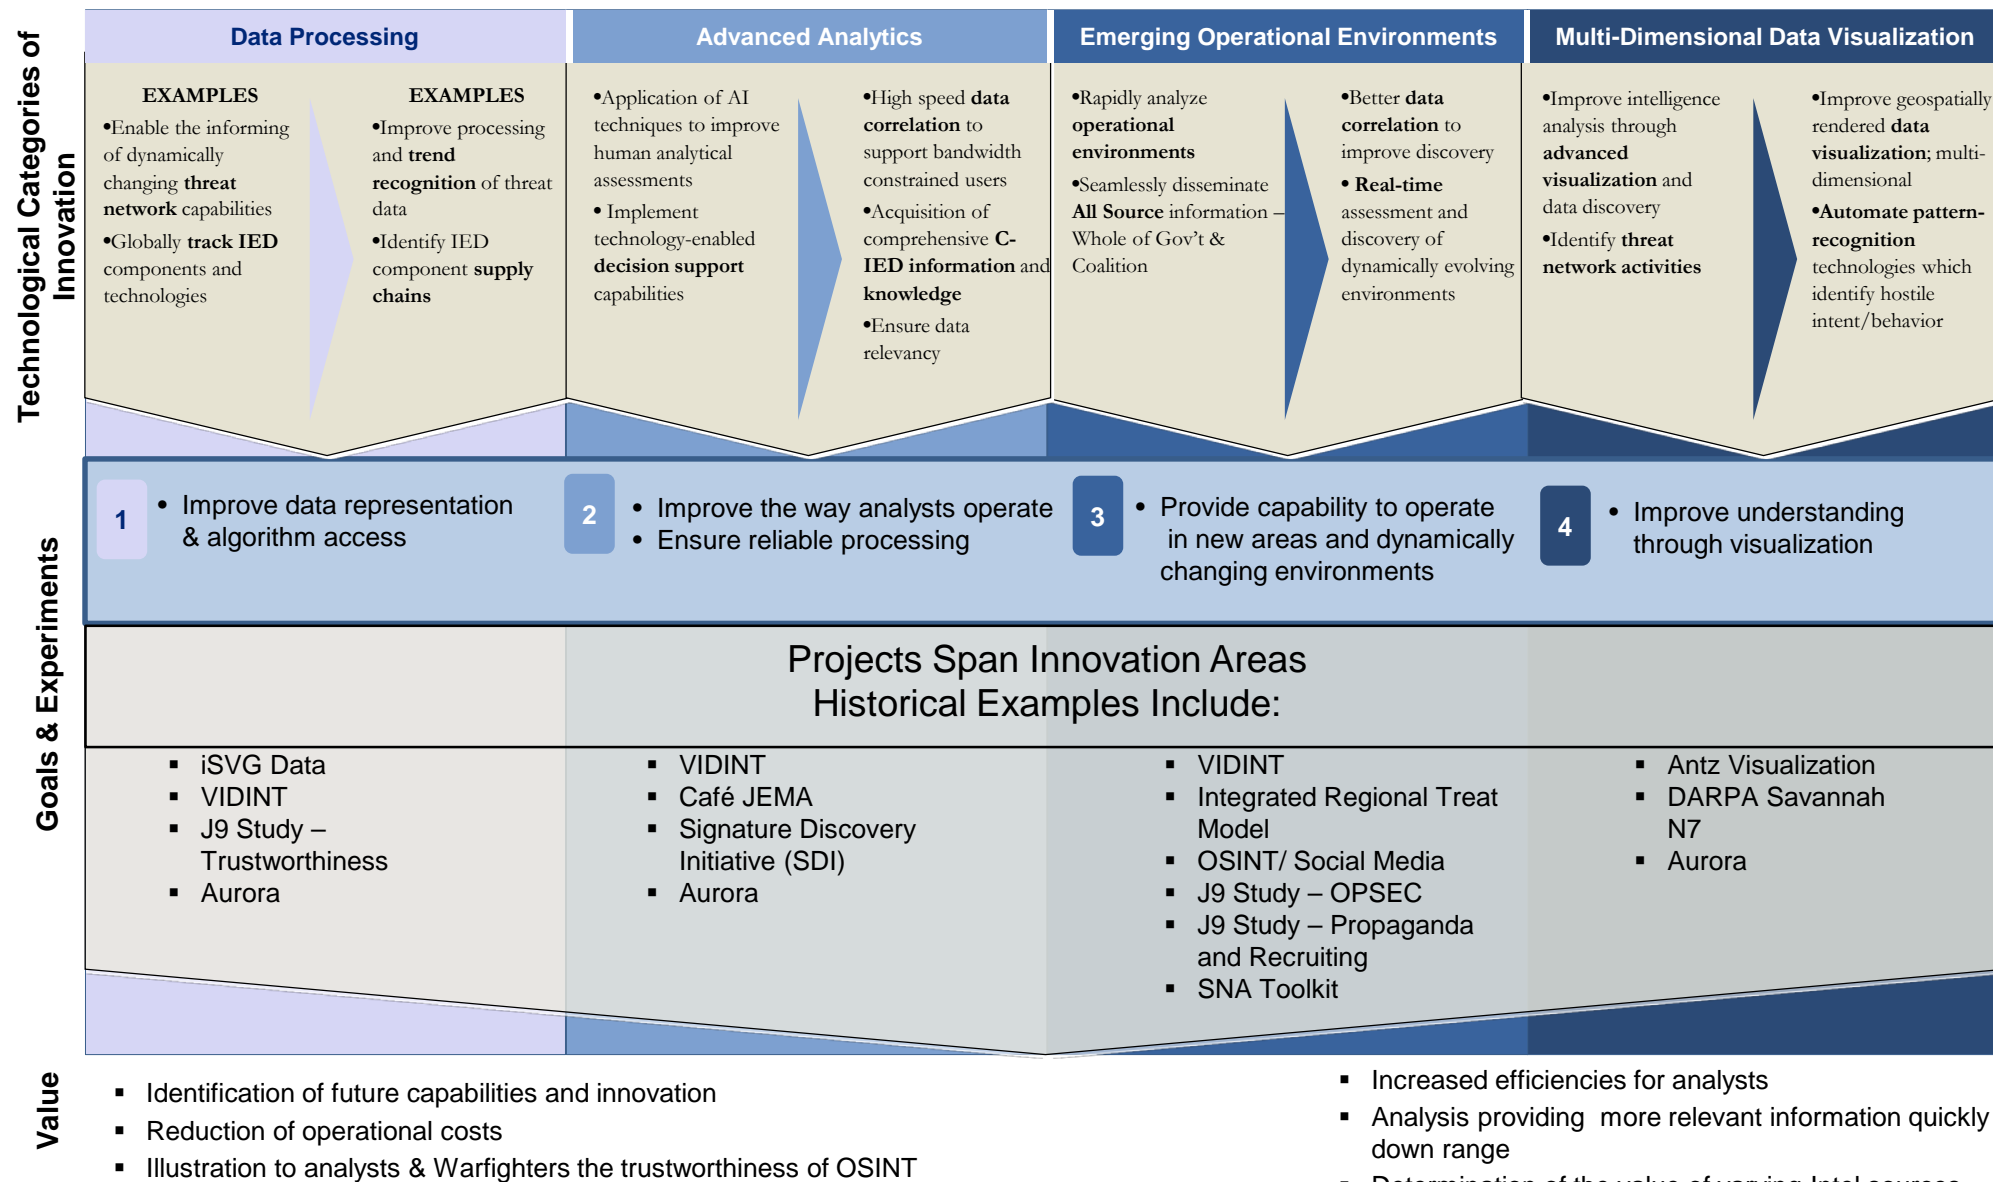

Future capabilities must be:

Scalable – Affordable – Adaptable – Expeditionary – Domestic Application – Whole-of-Government Approach

JIDA's – Attack the Network Advanced Analytics Portfolio

Attack the Network – Defeat the Device – Train the Force
