Historically known for environmental cleanup and heavy industrial cleaning, but now applying expertise to Coronavirus disinfection and decontamination needs.

11:33:40 From jheleine : Can you advise of status of W912PM20R0002 IDIQ A/E Design Services?

11:33:44 From Lynne Beaman : Do we have a status on W912PM-20-R-0002 Small Biz AE IDIQ that was submitted 12/2019? (BTW, Raymond is an SDVOSB. :-))

11:34:30 From Pete Torrano, NOVA Power Solutions : Q: We make Power Backup systems like dual-conversion UPS systems that are ruggedized. I'd think these would be particularly suitable for tactical field hospitals with life support and respirator systems such as those being set up for overflow capacity due to COVID-19. with whom should I speak?

11:45:18 From Margaret Burcham : For Sam Colella: at the SBC we saw an expectation of an A-E C-type contract for the design of a new USASOC HQs Bldg at Fort Bragg. I didn't see this on your charts today. What is the status of that requirement, please?

11:47:50 From Pete Torrano, NOVA Power Solutions : thank you for your answer Courtney. would you please text your email address again? I couldn't not it down entirely. thanks.
