NC, buff.sam@gaston.edu
10:56:36 From Robert Burton : We need you to join the federal marketplace where the
U.S. Government Departments and Agencies purchase PPE and other products and services
from registered companies. Let us help you to navigate the regulated federal buying system to
increase your opportunities to meet emerging requirements. We partner with the
Procurement Technical Assistance Centers or (NC-PTAC) to get your company positioned to sell
to the federal government.

NCMBC COVID-19 Opportunities: <http://www.ncmbc.us/covid-opportunities/>

Please also see the enclosed Google Drive link and the NCMBC website (<http://www.ncmbc.us/>)
for checklists, agency assistance, and information for doing business with the federal
government.

11:25:38 From alversonj : Where can i get more info on creating a profile on DIBS?
11:28:12 From devinsteele : Thanks for sharing the eTC web address, Robert Burton
11:35:38 From Mark : www.dibbs.bsm.dla.mil
11:36:20 From walterkruger : Walt Kruger walter@legendcompressionwear.com -336-859-0661 -Who should I contact to discuss any potential upcoming boot sock request for information (RFI) or upcoming requests to update qualified supplier lists (QSL)?

11:38:34 From David Fenstermaker : Does the DLA currently have the specifications for the FEMA gowns available ? Specifically the durability requirements (# washes and type of wash)

11:39:11 From CHARRINGTON : Is the government also procuring barrier masks?

11:42:53 From David Fenstermaker : Can you comment of the assumption of the FEMA contracts by DLA and will Berry Amendment compliance need to be followed ?

11:46:33 From walterkruger : Walt Kruger Walter@legendcompressionwear.com Are the gown and mask needs for only Domestic manufacturers?

11:53:36 From walterkruger : Walt Kruger walter@legendcompressionwear.com -336-859-0661 -Who should I contact at the DLA Troop Support Medical Surgical, in reference to the Defense Health Agency (DHA) Medical Logistics (MEDLOG) Division Medical Material Enterprise Standardization Office (MMESO) compression hosiery qualified supplier list (QSL), upcoming request for information (RFI) or needs?

11:56:17 From suresh sreeni : can you advise on opps of apparel innovations? thanks, suresh

11:57:35 From Dr. Malcolm Beech : Where can I find specifications for uniforms, shirts, etc.

11:57:38 From Sree : who should we contact if we have technology solutions to address 'inaccurate requirements from the customer' challenge faced by DLA?

11:58:31 From Hugh Crenshaw : Do PPE acquisitions include items made under the Emergency Use Authorization by new US manufacturers, i.e. not FDA cleared items?

12:03:41 From MK Schwarz : "cloth face covering" is much better nomenclature

12:03:46 From Davis Barrow : Will there be a set aside for PPE acquisitions?

12:05:27 From Davis Barrow : Davis Barrow, Oak Grove Technologies, Davis.barrow@oakgrovetech.com

12:11:19 From CHARRINGTON : The cloth mask is what I referred to as a barrier mask. Thank you

12:11:23 From Robert Burton : How does DLA support the restocking of the Strategic National Stockpile?

How do we prevent a foreign dependence for future crisis to strengthen the U.S. national response.

12:15:07 From Robert Burton : For additional information and assistance with PPE and other COVID-19 related or textile technologies, please contact Bob Burton of the North Carolina Military Business Center and NC DEFTECH at burtonr@ncmbc.us

12:15:35 From Kevin Dovel : Thank you!

12:15:48 From Chad H : Thank You to everyone !

12:15:52 From North Carolina Military Business Center : The slides will be posted following the closure of this web conference on the same page you registered.

12:16:40 From Mackenzie Huston, XGO Business Development Manager : This has been so informative, thank you all so much! Will you share answers to all chat questions with all participants?

12:16:41 From Tim Malone (NCMBC) : www.matchforce.org

12:17:21 From North Carolina Military Business Center : MacKenzie, connect with Mark Mills, millsm@ncmbc.us for answers to questions, he will work his way thru the chat for unanswered questions and get those out.

12:17:48 From Mackenzie Huston, XGO Business Development Manager : Will do, thank you.

12:18:26 From North Carolina Military Business Center : You're welcome.
