choldsclaw@metalroofingsystems.biz
Metal Roofing Systems
Metal Roofing Systems (MRS) is a manufacturer of high-quality metal roofing products, and we satisfy all of the metal Division 7 needs for construction project. We employ many U.S. Military Veterans, and we have a long history of partnering with general contractors & roofing contractors for various government & military projects.

11:17:36 From Jackie : Will hard copies of the future projects be available after the Zoom meeting?

11:19:05 From Joe Angell - Wiley Wilson : Leila - How is Savannah District doing with their SB Goals? Are there any specific SB type firms you need assistance from?

11:19:07 From Patrick Wylie : Is there a way to distinguish projects that have "options" for a solar PV installation? We are EPC contractors but we do not wish to bid on the entire electrical portion of the contract. Is there a method in mind to properly differentiate those two skill sets?

11:20:14 From Doneth : Ken - a few of the stand alone projects show scheduled for FY20 1st qtr. since we have started FY20 3rd qtr., is it same to assume that those 1st qtr. project have fell behind schedule and will hit the streets during 3rd and / or 4th qtr.?

11:20:19 From Ed Chamberlayne (WSP USA) : Thanks Savannah District for supporting this webinar. Can you review the upcoming A/E opportunities again? Also, please clarify when the CM Services contract opportunity will come out.
