Introduction to NAICS

The North American Industry Classification System (NAICS) is the standard used by Federal statistical agencies in classifying business establishments for the purpose of collecting, analyzing, and publishing statistical data related to the U.S. business economy.

NAICS was developed under the auspices of the Office of Management and Budget (OMB), and adopted in 1997 to replace the [Standard Industrial Classification \(SIC\) system](#). It was developed jointly by the [U.S. Economic Classification Policy Committee \(ECP\)](#), [Statistics Canada](#), and Mexico's [Instituto Nacional de Estadística y Geografía](#), to allow for a high level of comparability in business statistics among the North American countries.

This official U.S. Government Web site provides the latest information on plans for NAICS revisions, as well as access to various NAICS reference files and tools. Additional information on the background and development of NAICS is available in the [History](#) section of this Web site.

Executive Compensation
Registrants in the System for Award Management (SAM) respond to the Executive Compensation questions in accordance with Section 6202 of P.L. 110-252, amending the Federal Funding Accountability and Transparency Act (P.L. 109-282). This information is not displayed in SAM. It is sent to USAspending.gov for display in association with an eligible award. Maintaining an active registration in SAM demonstrates the registrant responded to the questions.

Proceedings Questions
Registrants in the System for Award Management (SAM.gov) respond to proceedings questions in accordance with FAR 52.209-7, FAR 52.209-9, or 2. C.F.R. 200 Appendix XII. Their responses are displayed in the responsibility/qualification section of SAM.gov. Maintaining an active registration in SAM.gov demonstrates the registrant responded to the proceedings questions.

FAR 2024-001: Inflation Adjustment of Acquisition-Related Thresholds 

FAR Case 2024-001, "Inflation Adjustment of Acquisition-Related Thresholds," has increased the threshold values that are hard-coded in FPDS. Although these threshold changes became effective on October 1, 2025, FPDS has not yet been updated to reflect the new thresholds due to the ongoing lapse in federal funding (Federal Government Shutdown).

Contracting Officers are advised to be cognizant of the updated threshold and to incorporate new requirements in accordance with their agency's policy.

FPDS National Interest Action data element disabled as of January 27, 2024 

The National Interest Action (NIA) data element has been decommissioned and will not be collected on new Contract Action Reports (CARs) on or after January 27, 2024. The NIA data element will continue to be available for correction of existing CARs.

Agenda

- SAM Registration & SBA Profile
 - ❖ Automatic, Effective & Perpetual
 - ❖ “Packaging” My Business in Federal Government Terms
- Identifying Government, Military, OEM and Prime Contractor Target Contacts
- **Developing and Presenting Effective Capabilities Statements & Briefings**
- Attend & Participate in Relevant Conferences, Convenings, Industry Days, Summits, Symposiums, etc.

What is a Capability(ies) Statement?

- A one-page (at the most 2) marketing document
- Introduces your business to government buyers
 - OEMs & Major Prime Contractors
- Summarizes your qualifications
- Used in meetings, outreach, and proposals

Why Capability Statements Matter

- First impression with contracting officers
- Supports small business programs
- Helps prime contractors evaluate partners
- Improves credibility and visibility

When to Use a Capability Statement

- Industry days and conferences
- One-on-one meetings
- Email introductions
- Vendor outreach events
- Capability briefings

Core Components

- Company Overview
- Core Competencies
- Past Performance
- Differentiators
- Certifications and Codes
- Contact Information

Company Overview

- Legal name and DBA
- Business size and structure
- Years in operation
- Primary mission

Technical Sections

- Core Competencies: Key services/products
- Past Performance: Relevant projects
- Differentiators: What makes you unique
- Certifications: SBA and agency programs

Required Codes and Identifiers

- UEI (Unique Entity ID)
- CAGE Code
- NAICS Codes
- PSC/FSC Codes
- SAM.gov Registration

Design and Format

- One-page maximum
- Clear headings
- Readable fonts
- Professional branding
- PDF format preferred

Example: Strong Capability Statement

- Company: ABC Defense Solutions, LLC
- Core Competencies: Cybersecurity, IT Support, Cloud Migration
- Past Performance: DoD Network Modernization (\$2M)
- Differentiators: 24/7 SOC, Veteran-Owned Staff
- Certifications: SDVOSB, ISO 27001
- Codes: UEI, CAGE, NAICS 541512

Example: Construction Contractor

- Company: Precision Build Group
- Core Competencies: Federal construction, renovations, HVAC
- Past Performance: VA Clinic Renovation (\$4.5M)
- Differentiators: EMR 0.78, Design-Build Expertise
- Certifications: HUBZone, 8(a)
- Codes: NAICS 236220, CAGE

Common Mistakes

- Too much marketing language
- No past performance
- Outdated codes
- Poor formatting
- Missing contact info

Best Practices

- Customize for each agency
- Use metrics and results
- Keep updated quarterly
- Align with target NAICS
- Match agency mission

Next Steps

- Draft your capability statement
- Validate SAM.gov registration and SBA Profile
- Seek SBTDC GCAP, Apex Accelerator, NCMBC and other SME reviews
- Use in outreach strategy
- Revise based on feedback

EXAMPLES

COMPANY NAME

CAPABILITY STATEMENT

CAPABILITIES

Write a brief introduction of your company's core capabilities and provide a bulleted, keyword heavy list of your products and services. This should not be the full history of your company, or your mission and vision statements, rather, try to write a sentence or two that clearly articulates the products or services you provide.

- Capability 1
- Capability 2
- Capability 3
- Capability 4
- Capability 5
- Capability 6
- Capability 7
- Capability 8

DIFFERENTIATORS

The Differentiators section is your opportunity to clearly define what makes your company different from all the rest and to explain why it matters.

- Quantified example 1
- Quantified example 2
- Quantified example 3
- Quantified example 4
- Quantified example 5

PAST PERFORMANCE

Include a list of relevant projects/customers for which you have worked, as well as a very brief synopsis of the project. If possible, you should include the client's contact information, as well.

Client Name	Project	Contact Information
Client 1	Provided A and B over a period of XX years/months to address/resolve/improve X and Y.	Jane Doe, Director, 888-867-5309, jdoe@companya.com
Client 2	Developed and executed C and D utilizing H, I and J technologies.	Sally Doe, COO, 888-867-5309, sdoe@agency.gov
Client 3	Implemented this and that and continue to provide ongoing support and maintenance.	John Doe, CTO, 888-867-5309, jdoe@companyd.com

Capability Statement

Your Logo Here

TargetGov Tip: This is a content design template. Show your logo and contact information, with a specific person's name, phone and email.

Core Competencies:

Tailor your Capability Statement to reflect your audience. An example first sentence is, "[Your Company] is able to help the [Target Agency or Prime Contractor] in their requirement for [specific requirements]."

Short introduction statement relating the Company's core competencies to the agency's specific needs follow by keyword heavy bullet points.

TargetGov Tip:

- No Long paragraphs
- Use short sentences followed by keyword heavy bullet points
- Create a new document for each agency mission or specific opportunity
- Call this document a Capability Statement
- Preferably, this Capability Statement is one page, one side
- Go to two sides only if absolutely necessary
- Save and distribute as a PDF, not a Word, PowerPoint or other format.

Past Performance:

List past customers for whom you have done similar work. Prioritize by related agency, to all federal to other governments to commercial contracts. If the past projects do not relate to the targeted agency's needs, do not list.

Formatting:
Name of the Agency, Department, or Company, Contract # (if applicable), Title, Timeframe. Brief description of the work done. Include metrics or customer benefits. End with Contract Name, Position, Title, Email, Phone.

TargetGov Tip: Ideally, include specific contact information for immediate references. Include name, title, email, and phone.

DIFFERENTIATORS:

Identify what makes you different from your competitors and how this benefits the targeted agency.

TargetGov Tip: Make your key differentiators to the needs of the agency, prime or teaming partner.

A differentiator should be a clear value statement articulating what makes your company different from its competitors relating to the upcoming opportunity.

Sample Differentiator Questions

- Why did your biggest customer want you?
- How and why is your company the best choice for the needs of this opportunity or agency?
- What is it about your services/products that make you stand out from the rest?

Company Data:

One very brief paragraph of company description detailing pertinent facts.

TargetGov Tip: Readers will visit your website for additional information. Make sure your website is constantly updated and government-focused.

List specific Codes:

- Socio-economic certifications: 8(a), HUB Zone, SDVOB, etc.
- DUNS
- NAICS (all)
- CAGE Code
- Accept Credit and Purchase Cards
- GSA Schedule Contract Number(s)
- Other Federal Contract Vehicles
- RFAs and other federal contract numbers
- State and other contract numbers

Your address, phone numbers (voice, mobile, and fax), email, website, and other related contact information

Description

Army Contracting Command - Rock Island (ACC-RI), on behalf of Portfolio Acquisition Executive Agile Sustainment and Ammunition (PAE AS&A) and Army Materiel Command (AMC) plans to hold an Industry Day on 19-20 March 2026 at the Hilton Parsippany located at One Hilton Court, Parsippany, NJ 07054.

This posting is to notify Industry of the Government's intent to hold the Industry Day and subsequent one-on-one sessions to assist with planning and travel arrangements. Registration information for the general session and one-on-one meetings will be forthcoming in a subsequent posting. **Do not submit registration information until requested.**

The intention of the Industry Day is to discuss opportunities available across the Organic Industrial Base (OIB) for Public-Private Partnerships (P3) and/or Co-

DLA Supply Chain Alliance Symposium & Exhibition

June 2026 in Columbus, Ohio

The DLA Supply Chain Alliance Symposium & Exhibition is hosted by the National Defense Industrial Association in partnership with the Defense Logistics Agency's Land, Maritime and Aviation Class IX supply chains to provide a forum to discuss logistics support strategies and challenges, and to streamline efforts to better support the warfighter. In odd years, the conference is held in Richmond, Virginia, and in even years it is held in Columbus, Ohio. The 2025 event was held at the Greater Richmond Convention Center in Richmond, Virginia, June 11-12.

The forum draws together government and industry leaders to discuss sustainment aspects of the National Military Strategy and the Defense Department's first-ever National Defense Industrial Strategy. Dynamic speakers from Industry and Defense with backgrounds in logistics and acquisition, as well as General and Flag Officers from the military services will provide critical perspectives across elements of the end-to-end DOD supply chain along with breakout sessions that will give valuable insight on doing business with DLA.

Assisted businesses have won at least 6,777 contracts valued at \$18.60 billion
