

Small Business and Technology Development Center

Who We Are: A business advisory resource, part of The University of North Carolina System, in partnership with the U.S. Small Business Administration.

Our Mission: To support the growth and development of North Carolina's businesses, offering a blend of professional expertise and educational resources.

Our Impact: Established in 1984, continuously accredited with a proven track record of fostering economic development and enhancing business success across North Carolina.

Key Services:

- Expert business counseling
- Tailored training and educational seminars
- Leveraging UNC System resources for client projects
- Resources covering pre-venture orientations, marketing & sales, financial management, international trade opportunities, access to debt and equity financing, government contracting opportunities, client-specific trainings & events, and selected co-sponsored events.

NC Government Contracting Assistance Program (GCAP)

What is GCAP?

Empowering North Carolina small businesses with strategic insight and system knowledge for success in government contracting.
