Agenda

- **Welcome**
- North Carolina federal market overview
- How the government purchases goods and services
- Federal contracting – business development programs
- Leveraging the market – NCMBC services, tools
- Getting started in the market
- Finding opportunities and next steps

Welcome

Each year, the government awards hundreds of billions of dollars in federal contracts to businesses like yours to meet the needs of the military and federal agencies. The government's goal is to award at a minimum **23 percent** of those contracts to small businesses.

Welcome

To sell your products or services to the federal government, your business must meet specific requirements. Although the contracting process can seem complicated and overwhelming at first, the government provides information and tips to help you learn to compete as a federal contractor in North Carolina.

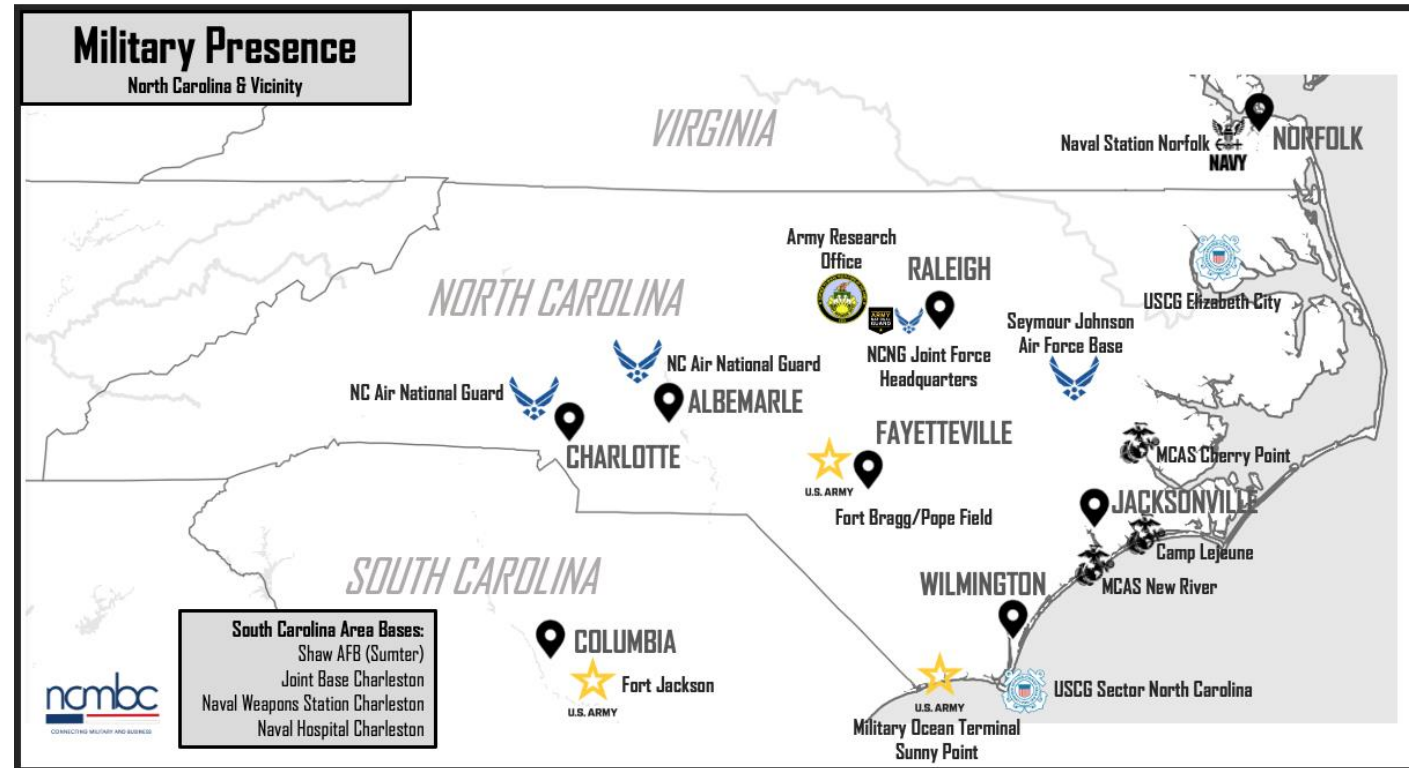

Agenda

Prime contracts, DoD in NC: **\$6.98 billion** (85 of 100 Counties)

*FY2025 Data: SAM.gov, as of March 2026

Situation: Federal Procurement, FY2025

2025 Federal Prime Contracts in North Carolina

- Greater than \$75 million
- \$25 million to \$75 million
- \$5 million to \$25 million
- Less than \$5 million

* FY25 Data as of March 2026
Heavier than normal federal contracting in western counties is attributed to Hurricane Helene recovery.

Positioning Your Business to Engage

- Need computer and **internet access** - the government does everything online
- Best for firms with at least two years of sales, in business for two years
- Record of experience and **(good) past performance** - commercial and subcontracting past performance is acceptable
- Must be competitive, as well as **technically and financially capable**
- High competition – no easy sales, not a lifesaver for struggling businesses, teaming often critical

Positioning Your Business to Engage

Research

In order to bid on and win government contracts, you'll need to know what products and services the government buys — and at what price. Spend time upfront to make sure there's a market for your product(s) or service(s), determine how big the market is and find potential buyers.

Federal Procurement Data System (FPDS)

The Federal Procurement Data System – Next Generation is the repository of all federal contracting data for contracts over \$25,000. You can see which agencies have contracts and with who, what agencies buy, and which contractors have contracts.

Positioning Your Business to Engage

USASPENDING.gov

USASpending.gov tracks government spending through the contracts it awards. This searchable database contains information for each federal contract. You can use this information to help identify government purchasing trends by county and state.

Federal Agency Procurement Forecasts

Each government agency releases a procurement forecast that includes contracting opportunities for small businesses. You can review these Agency Recurring Procurement Forecasts to find out if there are agencies that buy what you sell. Data is loaded on www.ncmbc.us **future opps database**.

Agenda

- Welcome
- North Carolina federal market overview
- **How the government purchases goods and services**
- Federal contracting – business development programs
- Leveraging the market – NCMBC services, tools
- Getting started in the market
- Finding opportunities and next steps

How the Government Purchases Goods and Services

“Who’s Who” and “What’s What” in federal acquisition

- Users (with requirements)
- Contracting Offices (acquire goods, services for users)
- Federal acquisition regulations (and supplements)

How the Government Purchases Goods and Services

Prioritized Sources

- Agency inventories
- Other agency excess
- Federal Prison Industries
- Ability One
- Wholesale supply sources (Defense Logistics Agency, DLA)
- General Services administration, mandatory, then optional federal supply schedules (GSA)

How the Government Purchases Goods and Services

Prioritized Sources

Commercial sources including:

- Indefinite Delivery Indefinite Quantity contracts ([IDIQ](#))
- Multiple Award Construction Contract ([MACC](#)) (construction)
- Multiple Award Task Order Contract ([MATOC](#)) (construction)
- Single Award Task Order Contract ([SATOC](#))
- Sole Source Set Aside
- **Competitive**

How the Government Purchases Goods and Services

Rules depend on the “color of money” and value of the procurement

- **Non-Appropriated Funds:** monies derived from sources other than Congressional appropriations and commissary surcharge funds, primarily from the sale of goods and services to DoD military and civilian personnel and their family members that are used to support Morale, Welfare, and Recreation (MWR) programs.
- **Appropriated Funds:** monies allocated by legislation passed by Congress and signed by the President. Appropriated Funds are usually specified in Congress's yearly budget or continuing resolution. Appropriated Funds may only be used for the purpose for which they were appropriated.

How the Government Purchases Goods and Services

Non-Appropriated Funds

- Spent by MWR (Army), MCCS (Marines) to support troops
- No need to register anywhere (but you should)
- Rules and processes are simple
 - If <\$10,000, competition is not required
 - \$10,000 to \$150,000 must solicit two sources
 - Purchases >\$150,000 a minimum of three qualified sources.
- **Market your business directly to the buyers**

How the Government Purchases Goods and Services

Appropriated Funds

- Government seeks to give businesses a fair chance to compete
- Government may use “best value” - may not be lowest price
- Purchasing Laws are followed in accordance to:
 - [Code of Federal Regulation](#)
 - Federal Acquisition Regulation ([FAR](#))
 - Defense Federal Acquisition Regulation ([DFAR](#)), or...
 - Other Federal Agency Supplements

How the Government Purchases Goods and Services

Appropriated Funds

- Micro Purchases – Up to \$10,000
 - Buyer only has to solicit one source
 - Price must be reasonable
 - Usually paid by [Government Purchase Card \(GPC\)](#)
 - Many federal employees have GPC's and make small purchases everyday

How the Government Purchases Goods and Services

Appropriated Funds

- Simplified Acquisition Threshold (SAT), up to \$25,000
 - Set-aside for small business (SB)
 - SB dealer/distributor may offer product of any size manufacturer
 - Handled by contracting officers
 - Assigned by commodity
 - 3 quotes from **vendors they know and locate**
 - Award based on low best price/delivery requirements

How the Government Purchases Goods and Services

Appropriated Funds

- Simplified Acquisition Threshold (SAT), \$25,000 - \$250,000*
 - Usually set aside for small business (SB)
 - Under SB set aside, dealer/distributor must sell product of small business manufacturer
 - May use "Best Value," not always the lowest price
 - Solicitations posted on [SAM.gov](https://sam.gov).

* Exceptions to the limit exist for CONUS/OCONUS contingency operations, disaster prevention/response/recovery

How the Government Purchases Goods and Services

Appropriated Funds

- Purchases over \$250,000
 - Subject to other federal business development programs
 - Past Performance will be a factor in the decision process
 - May require a technical proposal
 - More formal process - **must follow instructions** in the Request for Quote (RFQ) or Request for Proposal (RFP)

Agenda

Finding Opportunities and Next Steps

NCMBC Business Development Team

SAM.gov

<https://sam.gov/content/home>

Sources Sought

- A request for information (RFI), or a solicitation of interest, from an agency. The RFI may help an agency understand the interests and capabilities of businesses that would submit proposals for a future contract. A sources sought notice may or may not be followed by a solicitation.
- Example Four-terminal Guarded Coaxial Scanner

Pre-Solicitation Notice

- A notice about contract opportunity proposals will open in the future. The notice may ask interested businesses to submit information, which may help the agency determine whether the contract should be reserved for businesses that qualify for certain types of set-asides.
- Example Land-based Air Conditioner

Solicitation

- Any request to submit offers or quotations to the Government.
- Solicitations under sealed bid procedures are called “invitations for bids.” Solicitations under negotiated procedures are called “requests for proposals.”
- Solicitations under simplified acquisition procedures may require submission of either a quotation or an offer.
- Example [88th Army Band Musical Instruments](#)

Combined Synopsis/Solicitation

- A combination of a synopsis of an opportunity and the solicitation for that opportunity, used for commercial items to streamline the acquisition process
- Example [29—Radiator, Engine COO](#)

Award

- When a federal agency awards a contract in response to a solicitation, it may choose to upload a notice of the award to allow the public to view which vendor received the awarded contract and the contract amount awarded. Requirements for posting award notices vary based upon the agency and the solicitation.
- Example 68—Gas, Natural, Dry

Justification

- A contracting office may need to document the contract file regarding the accuracy of a decision and obtain required approvals. Details for the content of a justification are specific to the action being accomplished
- Example [Spiral 4 Justification for Exception to Fair Opportunity](#)

Finding Opportunities and Next Steps

What you need to do:

- Become web-enabled to find contracts
- Learn the basic rules of contracting
- Learn to describe your business and your products/services (UEI, NAICS, CAGE, FSC and PSC codes)
- Develop marketing materials and capabilities statements: in “government speak”
- Follow the checklist on www.ncmbc.us!
- Register: SAM.gov

Finding Opportunities and Next Steps

What you need to do:

- Certify with the Small Business Administration (SBA) for Contracting Programs
- **Monitor Opportunities:** SAM.gov, etc.
- Respond to opportunities, including Sources Sought and Requests for Information
- Network with prime contractors for subcontract opportunities
- Leverage resources – Join networks/connecting organizations, use NCMBC/SBTDC/SBA/SBC and attend EVENTS!
